

We are introducing two *new* applications for Parents and Students to stay connected.

Bus Status

Alerts parents and students of cancelled school buses.

SchoolGuide

Provides up to date events, blogs, and notifications to parents and students.

Available download for:

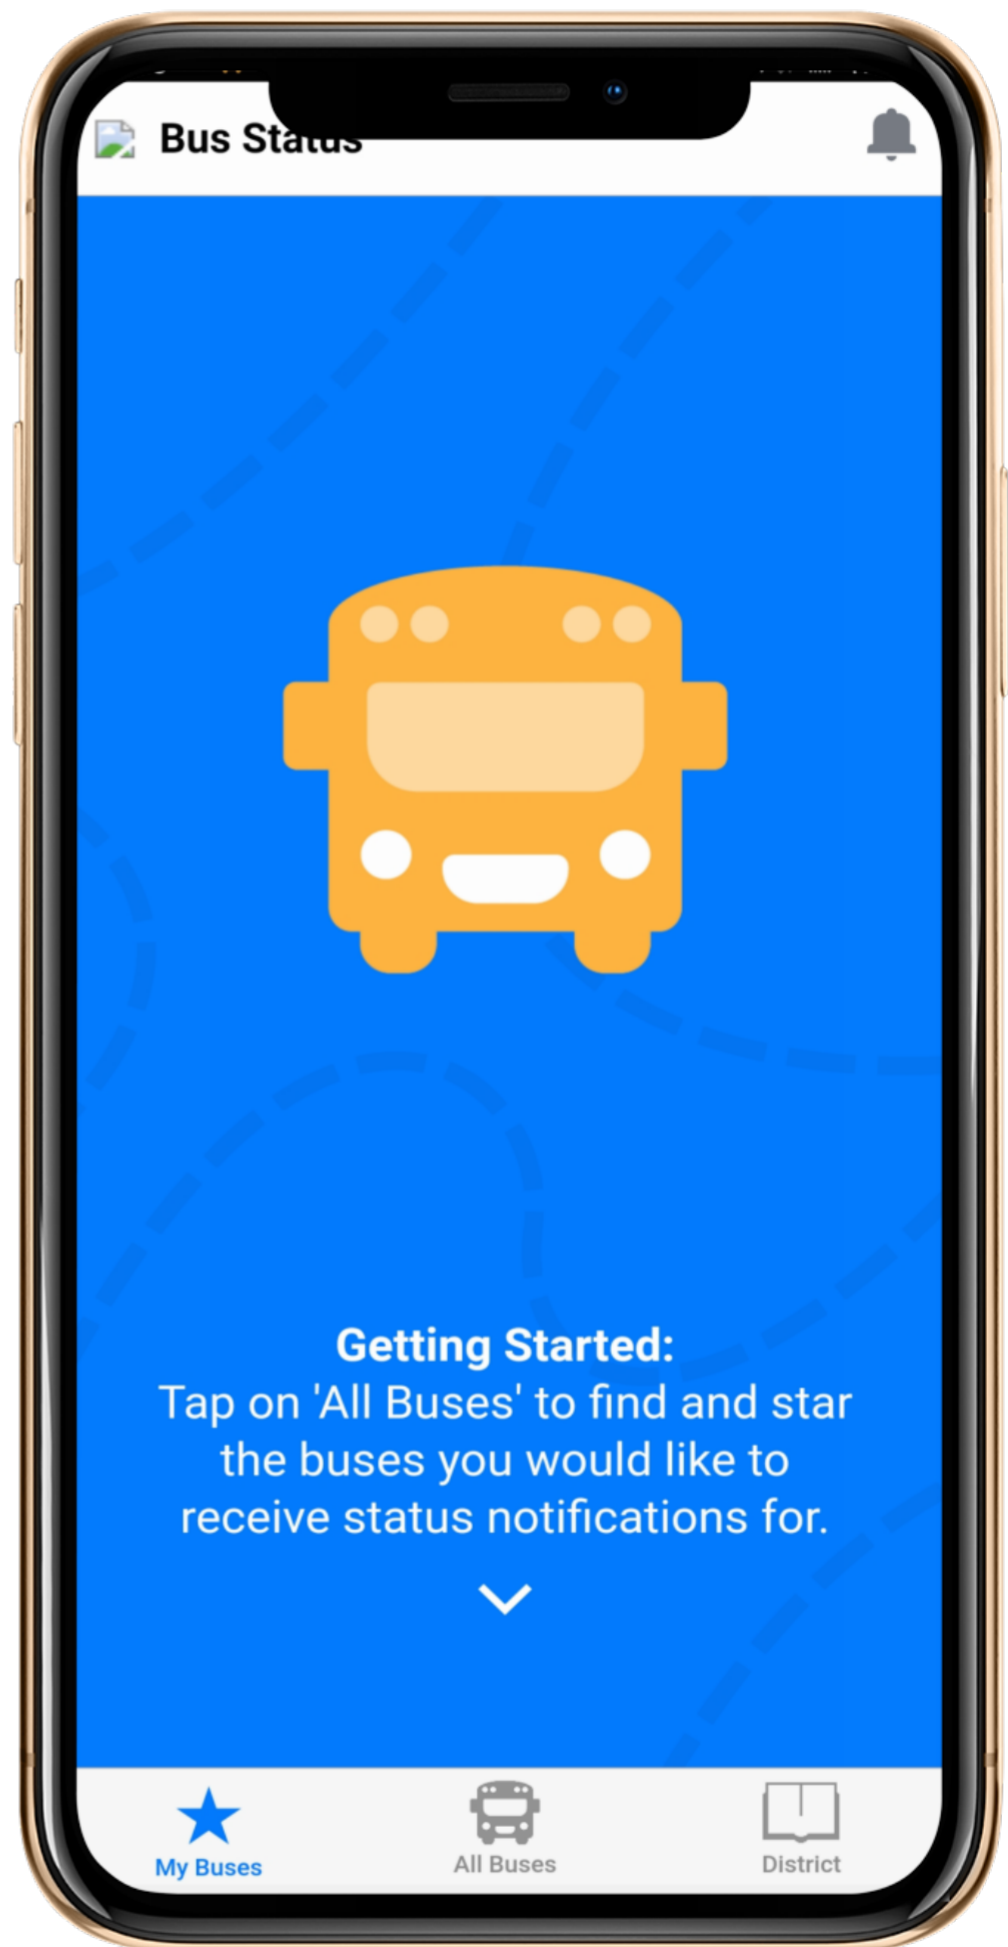

by Box Clever

Download for Android

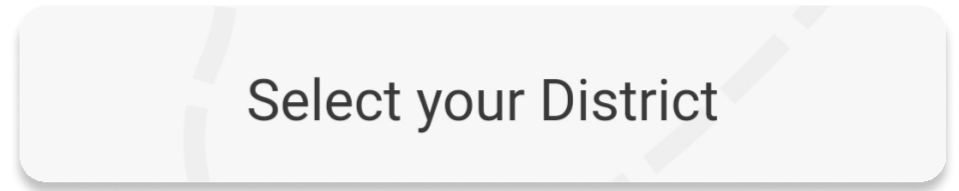

Download for IOS

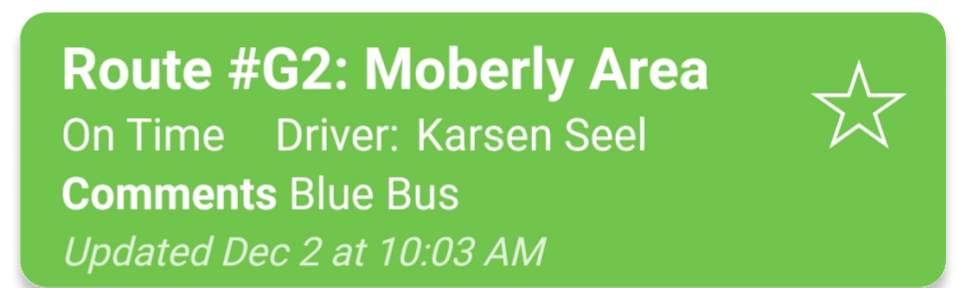

1

Once downloaded, open the app and select **Rocky Mountain School District No. 6** from the list.

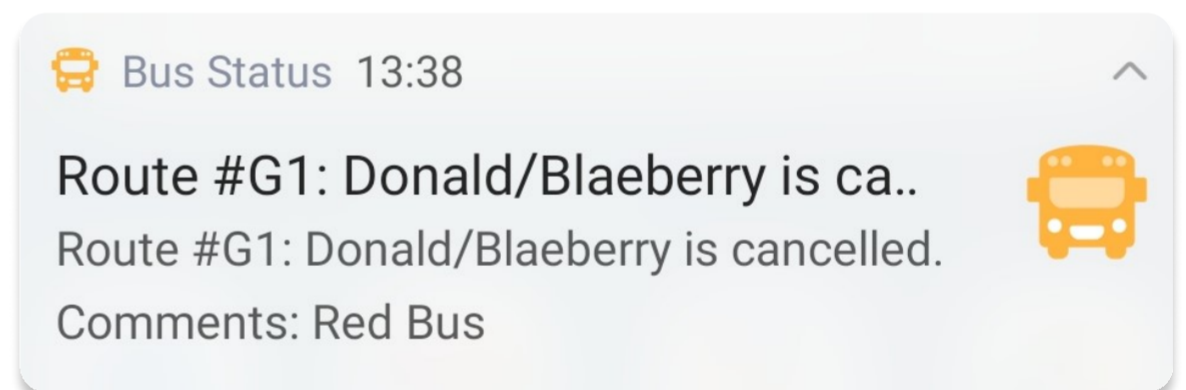

2

Go to **All Buses**. Tap the star to add a bus to **My Buses**.

3

You'll receive a notification when one of your buses is **Cancelled**.

4

Tap the bell icon to see general notifications.

Download for Android

Download for IOS

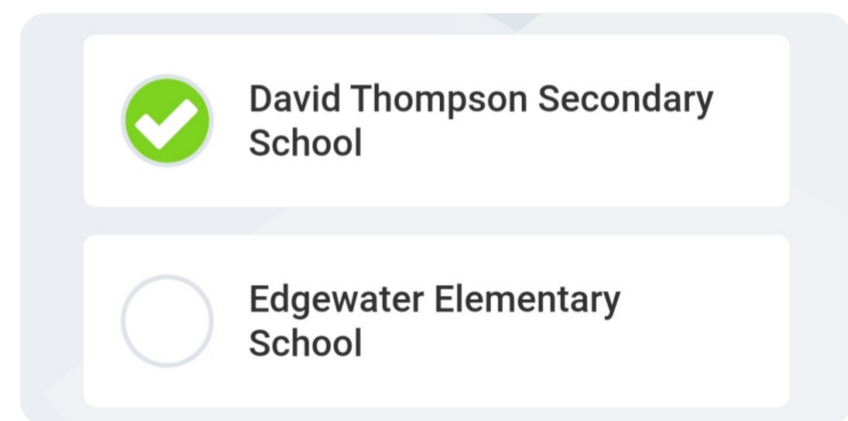

1

Once downloaded, open the app and select **Rock Mountain School District No. 6** from the District List.

2

Once selected, choose which schools you would like to follow by tapping the white circle to the left of each school on the list.

3

From here, you may navigate to **Calendar, News, Schools, and Quicklinks** - found at the bottom of your screen.
